

Jeri Milstead **PhD, RN, NEA-BC, FAAN**

Dr. Jeri A. Milstead, PhD, RN, NEA-BC, FAAN, is internationally recognized as an expert in public policy and the politics of healthcare. She has worked with U.S. and state policy makers for over 40 years on health and nursing issues. Her theory- and research-based textbook, now in the 8th edition, was a major factor in bringing policy into the nursing profession.

Dr. Milstead holds a PhD in Political Science (U. GA), an MS and BS, cum laude, in Nursing (Ohio State U.), and a diploma from Mt. Carmel SON.

She is Dean and Professor Emerita, CON, U. of Toledo. She is one of the founding members of ANA-Ohio, a active Fellow of the American Academy of Nursing, and a long-time member of Sigma.

Her many honors include an AAN Lifetime Legacy Award and the ANA Hall of Fame.
