

## ANA Membership Assembly Delegate

Sally Morgan, MS, RN, AGPCNP-BC

Retired from The Ohio State University Wexner Medical Center  
Columbus, OH

### Candidate Statement

I would be honored to continue representing ANA-Ohio as a delegate to the ANA Membership Assembly. Having previously served as a delegate, I have gained a strong understanding of current state and national nursing issues while building valuable relationships with delegates from other states. Since ANA-Ohio was founded in 2023, our organization has grown significantly. I believe we are ready to take the next step by engaging with our members prior to the Membership Assembly. I would work closely with the Executive Director, Board of Directors, delegates, and alternates to share proposed ANA bylaw changes, dialogue forum topics, and information about ANA candidates with our membership, ensuring that members have meaningful opportunities for discussion. Representing ANA-Ohio at the Membership Assembly requires preparation and active engagement. I am committed to reviewing all Assembly materials in advance, participating in dialogue forums, asking thoughtful questions, and learning about candidates through their biographies and candidate forums. If elected, I will continue to represent ANA-Ohio with professionalism, integrity, and a steadfast commitment to ensuring our members' voices are heard and represented at the national level.
