Abstract

Use these prompts for completed, proposed or in-progress work. Keep content educational.

Gap or need (25 words max) / What nursing practice or educational need does this address?

Learner outcome (25 words max) / What will the learner take away from the poster or presentation?

Content (200 words max) / What will you cover?

Results or impact (50 words max) / What was or could be achieved, and where can it apply?

Selected references / List 2–5 relevant references; preferably from the past 5 years.
